

## LED STRIP LIGHT 24V

Flexible LED strip creates new and exciting, vibrant color lighting effects that were once impossible to achieve. Ideal for cove, pelmet, shelf or wardrobe lighting or in commercial applications, product displays, under counter lightings. LED tape light can be used to reduce the energy consumed to light display cases or closets while also reducing the heat put off by puck lights or traditional overhead lighting.

### Features and Benefits

- ETL Certificate
- 2 Year Warranty
- Power saving
- No harm to human eyes
- Excellent heat dissipation with modern and durable design
- Stable performance

### Applications

- Architectural decorative lighting
- Archway, canopy and bridge edge lighting
- Amusement park, theater and aircraft cabin mood lighting
- Emergency hallway lighting
- Backlighting for signage letters
- Emergency exit path lighting
